PROFESSIONAL SUMMARY

Computer Science & Engineering graduate with hands-on experience in Python, SQL, and AI/ML fundamentals. Familiar with data annotation, data labeling, data categorization, data validation, and quality checking. Detail-oriented and comfortable following guidelines to maintain accurate and consistent datasets.

Education

Bachelor of Technology (Computer Science & Engineering) - **2026**
Shree Siddheshwar Women's College of Engineering, Solapur
CGPA: 8.32

Technical Skills

- Programming: Python
- SQL & Database: SQL, MYSQL
- Python Libraries: Pandas, NumPy, matplotlib, Scikit-learn
- Data Visualization: Power BI, Microsoft Excel
- Data Annotation: Data Labeling, Data Categorization, Data Validation, Quality Checking
- Development, KPI Reporting
- Tools**:** Jupyter Notebook, VS Code, MySQL Workbench

Projects

- **AI Interview Preparation Platform |** Python, HTML, CSS, JavaScript
  -Developed a web application for interview preparation with topic-wise questions and solutions.
  -Designed a responsive interface and implemented backend features for seamless content delivery.
- **Facial Expression-Based Stress Detection | Python, Machine Learning**
  -Developed a program to identify facial expressions and classify stress-related patterns.
  -Prepared and processed data and applied machine learning concepts for classification.

Internship

- **Python Programming & SQL Intern | Intellise IT, Solapur**
  Gained hands-on experience in python, scripting, and logic building.
  Learned database fundamentals, table design, and writing basic SQL queries for data retrieval and management.

Certifications

- Artificial Intelligence Fundamentals – IBM Skills Build (Aug 2025)
- Database Management System Certification- NPTEL (National Programme on Technology Enhanced Learning) (Jul-Sep 2024)
- Python Certification- NPTEL (National Programme on Technology Enhanced Learning) (Jan-Apr 2024)
- Workshop on Data Science & Cybersecurity - Mitcon, Pune (May 2025)
- Soft Skills Training- Naandi Foundation (Jul 2025)

ACHIEVEMENTS

- TCS CodeVita Season 13 – Secured Global Rank 3458.
- Authored a Research Paper on AI Interview Preparation Platform.
