SAKSHI SHRIDHAR CHINTA

COMPUTER SCIENCE & ENGINEERING GRADUATE | DEVELOPER

Solapur, Maharashtra | 9022511674 | chintasakshi30@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

Computer Science & Engineering graduate with hands-on experience in Python, SQL, MySQL, and web development. Strong foundation in OOP, problem-solving, and database concepts, with practical experience through internships and projects.

EDUCATION

Bachelor of Technology (Computer Science & Engineering)

Shree Siddheshwar Women's College of Engineering, Solapur

Solapur

CGPA: 8.32

TECHNICAL SKILLS

- **Programming:** Python, Object-Oriented Programming (OOP), Data Structures & Algorithms, Problem Solving
- **Database:** SQL, MySQL
- **Web Development:** HTML, CSS, JavaScript
- **Python Libraries:** Pandas, NumPy, Scikit-learn
- **Data Visualization:** Power BI, Microsoft Excel
- **Tools:** Git, GitHub, Jupyter Notebook, VS Code, MySQL Workbench

INTERNSHIP

- **Python Programming & SQL Intern | Intellise IT, Solapur**

  Gained hands-on experience in python, scripting, and logic building. Learned database fundamentals, table design, and writing basic SQL queries for data retrieval and management.

- **Data Analytics Intern | QSpiders, Pune**

  Worked with Python, SQL, Excel, and Power BI to solve practical programming and data-related tasks.

  Developed and executed SQL queries for data retrieval, analysis, and report generation.

  Performed data cleaning and transformation using Python.

  Strengthened programming, problem-solving, and analytical skills through practical assignments and hands-on projects.

PROJECTS

- **Interview Preparation Platform**

  Developed a web application for interview preparation with topic-wise questions and solutions

  Designed a responsive interface and implemented backend features for seamless content delivery

- **Employee Performance Analytics**

  Designed employee database and analyzed KPIs

  Built interactive dashboards for performance insights

- **Python Task Management Application**

  Developed a desktop task management application using Python and Tkinter with a user-friendly graphical interface.

  Implemented task creation, updating, deletion, and status tracking with structured Python programming.

  Applied OOP, event handling, input validation, and file-based data storage to manage application data.

CERTIFICATIONS

Artificial Intelligence Fundamentals 08/2024 - 08/2024

IBM Skills Build

Database Management System Certification 07/2024 - 09/2024

NPTEL (National Programme on Technology Enhanced Learning)

Python Certification 01/2024 - 05/2024

NPTEL (National Programme on Technology Enhanced Learning)

Workshop on Data Science & Cybersecurity 05/2025 - 05/2025

Mitcon, Pune

Soft Skills Training 07/2025 - 07/2025

Naandi Foundation

ACHIEVEMENTS

- **TCS CodeVita Season 13**

Secured Global Rank 3458.

- **Authored a Research Paper on Interview Preparation Platform**

LANGUAGES

English | Hindi | Marathi | Telugu
